

**PATRICK HARDY**

*Patrick W. Hardy*

# AV RIDER

## ONSITE DETAILS

Please schedule the AV Sound Check in close proximity to the start time of the keynote, or at an appropriate break in the event. This usually takes about 15 minutes. Patrick will wear a Sport Jacket and dark slacks. Patrick prefers to have access to main floor for audience interaction.

Patrick does not require the use of a confidence monitor, but prefers to have his laptop in close proximity in case of a technology mishap.

Please provide two bottles of water onstage.

## AUDIO/SOUND REQUIREMENTS

Please provide:

- LCD projector with PowerPoint capability.
- Facility wired for sound/audio.
- One hands free wireless microphone with backup batteries ready.

Patrick travels with:

- Samsung PC with Windows 11 Professional installed
- One VGA connector
- One Wireless remote
- VGA & DVI dongle projector adapters.

## PRESENTATION DISTRIBUTION/RECORDING

Photographs and video are permitted as long as a copy of all raw footage provided to Hytropy, Inc. on an external hard drive with a digital backup;
